Dining Companion Level 1

Dining Companion Volunteers are allocated to a specific ward where they will be integral to the ward. Dining companions are involved in providing basic assistance and company to patients at mealtimes but will not be involved in feeding patients directly.

You will receive training to ensure that you have an awareness the role and of how to give encouragement and support to patients at mealtimes.

Volunteers are required during meal times which includes both lunchtime and evening and will link with other Dining Companions to provide a rota to cover mealtimes on their ward.

Role Description
Tasks to be undertaken

It is anticipated that you will carry out all or some of the following tasks:

1. To liaise with nursing staff at the start of each session to ensure each patient’s needs in relation to their diet and fluids, and the way patients feed is understood.
2. To encourage patients to eat and drink, and to remind them if they have not finished their food.
3. To assist patients in cutting food and opening packets.
4. To assist with patient dignity. For example this may be by wiping the Patient’s face, with their permission, or ensuring they have a suitably placed napkin.
5. To ensure that the patient has access to any equipment they need for eating including false teeth.
6. To ensure all food and drink is within easy range of each patient.
7. To remove crockery and cutlery from the patient’s bedside area and ensure the area is kept clean and tidy.
8. To refresh patient water jugs as necessary (after checking with the nursing staff).
9. To provide company to the patient during meal times.
10. To support patients with completing the Friends & Family test.
11. To identify and take part in relevant training and development courses.
12. To make and offer smoothies to the patients as a meal supplement/substitute
13. To complete food charts after meals (training would be given)
14. To carry out drinks round for all patients
15. Other duties as required by the ward by agreement with the worker.
Person Specification

It is expected that the dining companion will be able:

1. To communicate effectively with patients and staff.
2. To work with the minimum of supervision after suitable training has been undertaken.
3. To use their own initiative as the need arises within agreed areas.
4. To present a professional approach to patients, carers, nursing and other staff.
5. To be polite and punctual at all times.
6. To fulfil the agreed time commitment each week.
7. To ensure absolute confidentiality of information obtained through contact with York Teaching Hospital NHS Foundation Trust.
8. Demonstrate our Trust Values

We will support you by:

1. Delivering a Trust half day training session which will provide mandatory training prior to commencement of volunteering.
2. Providing Level 1 Dining Companion training and Food Preparation and Handling
3. Providing Dementia Friends training session
4. Providing supervision from the ward team on a daily basis and regular review meetings with your named volunteer supervisor on the ward.
5. Access and contact with the volunteering services team.
6. Other training that may be identified by you, volunteer service or ward staff.
7. Listening to your feedback about your role and the services we provide and using it, where we can, to improve.
8. Ensuring you know who to speak to if you need to raise any immediate concerns on matters of safety, conduct or patient care.

Trust Key Values:

The ultimate objective of the Trust is: ‘To be trusted to deliver safe, effective and sustainable healthcare within our communities’. The Trust requires all volunteers to demonstrate the following Trust Values:

- caring about what we do
- respecting and valuing each other
- listening in order to improve
- always doing what we can to be helpful.
