

Speech sounds workshop -

Working with children with unclear speech

Aims:

This 2 hour, practical sessions aims:

- To develop awareness of the development of speech sounds and how they are made.
- To discuss what can go wrong, and consider identification of children with speech sound difficulties.
- To consider the implications for children with speech sound difficulties in the classrooms, including the link between speech and literacy development.
- To give practical ideas and strategies to support children with unclear speech.
