Collecting Tin Volunteer – Role description

This is a flexible role well-suited to volunteers who cannot commit to regular hours.

What will I be doing?

As part of our fundraising we place coin collecting tins in local businesses. You will place new tins, look after existing tins and be responsible for bringing the full tins to the York Hospital Cashiers Office to be counted. The placing of tins can be at a time to suit you and you can be responsible for as many as you choose to manage.

How many hours will I volunteer?

From a few hours per month, up to one day a week, dependent on the number of tins you look after.

Do I need any skills/experience?

This role involves being organised, self-motivated and requires good interpersonal skills. You will find venues that are willing to take a tin, creating and sustaining income for York Teaching Hospital Charity.

You will enjoy meeting people and will have a friendly, polite approach at the sites you visit. You will be comfortable with transporting and banking the money collected. You need to be able to travel around the area either on foot, by bus or by car. Travel expenses can be paid in line with the York Teaching Hospital NHS Foundation Trust Volunteer Expenses Policy.

As a volunteer you will be a representative of York Teaching Hospital Charity. As such we expect you to be well presented, polite and to give a positive message about the work of the charity.
