What is C2Hear?

- An evidence-based set of 10 interactive multimedia videos (or reusable learning objects, RLOs).
- Addresses practical and psychosocial issues about hearing aids and communication.
- Developed with hearing aid users and audiologists.
- At the end of each RLO there is a self-evaluation quiz to show what has been learned.

What are the benefits of C2Hear?

- Better knowledge of hearing aids and communication.
- Better hearing aid handling skills.
- Greater use of hearing aids for people who don’t wear their hearing aids all of the time.
- Improved confidence and reassurance in using hearing aids and communicating.
- Rated highly useful by hearing aid users and audiologists.
- Benefits shown in a high-quality research study (HEAR IT).

Teaching, Training and Research

Our Trust is committed to teaching, training and research to support the development of health and healthcare in our community. Healthcare students may observe consultations for this purpose. You can opt out if you do not want students to observe. We may also ask you if you would like to be involved in our research.

Patient Advice and Liaison Service (PALS)

PALS offers impartial advice and assistance to patients, their relatives, friends and carers. We can listen to feedback (positive or negative), answer questions and help resolve any concerns about Trust services. PALS can be contacted on 01904 726262, or email pals@york.nhs.uk. An answer phone is available out of hours.
