The ultimate way to drive a new car

A Lookers Lease Full Service Personal Contract is designed to provide an all inclusive way to drive a new car with no hidden costs and a low initial payment. This gives you the opportunity to drive a new vehicle safe in the knowledge that many of the costs associated with running a car are covered.

The rental includes full maintenance, tyres, road fund licence and roadside assistance for the full term of the agreement. A modern car is expensive, complicated and requires servicing to the strict standards set out by the manufacturer. As we are the owner of the car and experts in vehicle maintenance, we are best placed to ensure this is completed cost effectively.

Included in the rental

- Road fund Licence
- Servicing
- Tyres
- Roadside Assistance
- Repairs

Our Full Service Personal Contract is perfect for someone who is opting out of a company car or just wants the comfort and security offered by a fully costed lease. This gives you total piece of mind in knowing that you will not be hit with unexpected and costly repair bills. With only 1 rental payable on delivery, subject to status, this is the ultimate way of driving a new vehicle.

How it works

You can choose from any Make or Model of vehicle available in the UK.

- Choose your new car including colour and specification
- Decide on term and mileage
- Obtain a quotation for your desired car from our advisors
- Place your order and complete a rental application
- Once your application is approved we will send you a rental agreement to sign
- We order the vehicle with the manufacturer
- We advise you when the vehicle is due into stock and arrange delivery
- We deliver your new car and start your agreement
- You enjoy driving your new car
- When you need a service, tyres or repairs contact our service advisors or your local dealer
- We cover all the costs for fair wear and tear

Lookers for you, for life

Lookers Leasing is part of the Lookers Group with a motoring heritage stretching back over one hundred years. Lookers plc represents 31 motor marques across 161 franchise dealerships and is now one of the principal automotive retail and distribution groups in the UK, with a group turnover in excess of £5billion.

Within the leasing division we can provide all manufacturer brands. This makes us truly independent and unbiased in our supply, whilst ensuring we have excellent

relationships with all our manufacturers who support us and therefore you, in both supply and service terms.

We carry significant new and pipeline stock allowing us to provide many vehicles on immediate supply or with reduced lead times.

We are committed to delivering excellence in our customer service from an initial enquiry right through to comprehensive aftersales care.
