

York Hospital Staff Choir

Thursday 30th March Community Choir Festival

Programme

Walk on singing	<u>Da Pacem Domine</u>	<i>Melchior Frank</i>	1.30	UNACCOMPANIED <i>Give peace, O Lord, in our time.</i> Earliest form of music plainchant/canon
	<u>Hallelujah</u>	<i>Leonard Cohen</i> <i>Arr. Roger Emerson</i>	2.30	ACCOMPANIED - piano Sadly we lost the singer songwriter Cohen in November last year but this has to be one of his most songs. Used in Shrek in 2001 it increased again in popularity and has been used in nearly 300 other arrangements.
	<u>Amazing Grace</u>	<i>John Newton</i>	2.15	UNACCOMPANIED This arrangement of Amazing Grace adds a new twist to this classic song.
	<u>What a wonderful World</u>	<i>George David Weiss & Bob Thiele</i> <i>Arr. Mark Brymer</i>	2.20	ACCOMPANIED - piano Louis Armstrong was the first to record this and probably is one of his most well known songs. It has been used in so many films, but its first appearance was in the film Good Morning Vietnam.
	<u>Westering Home</u>	<i>Hugh S. Robertson</i> <i>Arr. Kenneth Robertson</i>	1.20	UNACCOMPANIED This cheery song is derived from an Irish Gaelic song, written by Hugh Robertson in the 1920s.
End with	<u>Happy</u>	<i>Pharrell Williams</i>	4.00	ACCOMPANIED – Backing track From Despicable Me 2, released in November 2013 but became a huge single in 2014. Music makes us happy and that's why we have community choirs, we want to release happiness through the joy of singing together.
