

York Teaching Hospital NHS Foundation Trust Exhibition Application Form

Artists/Groups are invited to exhibit within our York, Scarborough and Bridlington hospitals. Exhibition slots are limited and we aim to show a range of work from a variety of established and upcoming artists and groups. Please consider the following before making your application:

- Artwork must be suitable for the hospital environment, maintaining an uplifting feel.
- Artwork must be wipeable with a damp cloth.
- Artists/groups must be able to drop off and collect artwork from the site they wish to exhibit.
- Exhibitions will be installed by Arts Team staff. The Artist/group does not need to be present.
- Artworks will be hung using our secure hanging system (using D-rings) or in some areas using mirror plates. The appropriate fixings must be provided by the artist.
- All artwork sales must be dealt with by the artist/group, however, work must only be removed from the walls by the Arts Team.
- 10% commission from artwork sales must be donated to the Arts fund within York Teaching Hospital Charity.
- Artwork will not be covered under the Trust's insurance.
