

Developing language skills 1 - Working with children with comprehension difficulties

This is part 1 of a 2 part course which can be attended alone, or combined with session 2 'working with children with expressive language skills' to make a full day.

Overview and aims:

This practical session covers:

- What is understanding and where does it fit into communication as a whole
- Development of different types of understanding of language
- How might a child who is having difficulties understanding language present in the classroom?
- Practical tasks to work on understanding.
- Supporting understanding in the classroom - What practical strategies can you use?

"Very helpful and knowledgeable leaders, practical examples combined with helpful information."
