Statement of main factors taken into account in making the above declaration

In making the above declaration, the main factors which have been taken into account by the Board of Directors are as follows:

The Trust has made the following declaration in the 2019/20 Annual Report: After making enquiries, the Directors have a reasonable expectation that the Trust has adequate resources, or access to appropriate support should this be necessary, to continue in operational existence and to continue to provide all licensed services for the foreseeable future. Therefore the Trust accounts being prepared on a going concern basis is considered appropriate.

Signed on behalf of the board of directors, and, in the case of Foundation Trusts, having regard to the views of the governors
