

## Events and Collections Volunteer

Would you like to help York Teaching Hospital Charity with fundraising events in the local community? If the answer is yes, we would love to hear from you.

### What we do

The York Teaching Hospital Charity raises vital funds to support the work of the York and surrounding area's hospitals to ensure the best quality of care is provided to patients and their carers.

### Activities you will be involved in

As an Events and Collections Volunteer, you will help out with various fundraising events throughout the year such as:

- Bucket collections
- Marshalling at marathons and runs
- Bric-a-brac stalls in York Hospital
- Occasional events such as charity balls, quiz nights, coffee mornings

### Skills

- Enjoy meeting new people and interacting with others
- Passionate about helping your local community
- Some customer service experience is preferable

### Benefits of volunteering

Volunteering is a great way to give your time for a fantastic cause. By volunteering for the charity you can make new friends, build confidence, learn and develop your skills and have lots of fun along the way.

### Other information

We only ask our volunteers to give as much time as they can. Our roles are designed to accommodate your particular interests and we always try to work around you. The role will require some flexibility as events can take place at different times of the year but you will not be expected to help out at every event. We will ensure you are inducted into your role and our organisation and we also provide opportunities throughout the year for you to meet other volunteers. Ongoing support in your role will be provided by the Fundraising Team.
