[Follow these instructions to register for access to UpToDate®](#)

1. Access UpToDate by going to your **Trust Intranet** from any computer connected to your organisation’s network.
2. You will find the **UpToDate** icon located within the quick links at the end of the carousel as shown below:

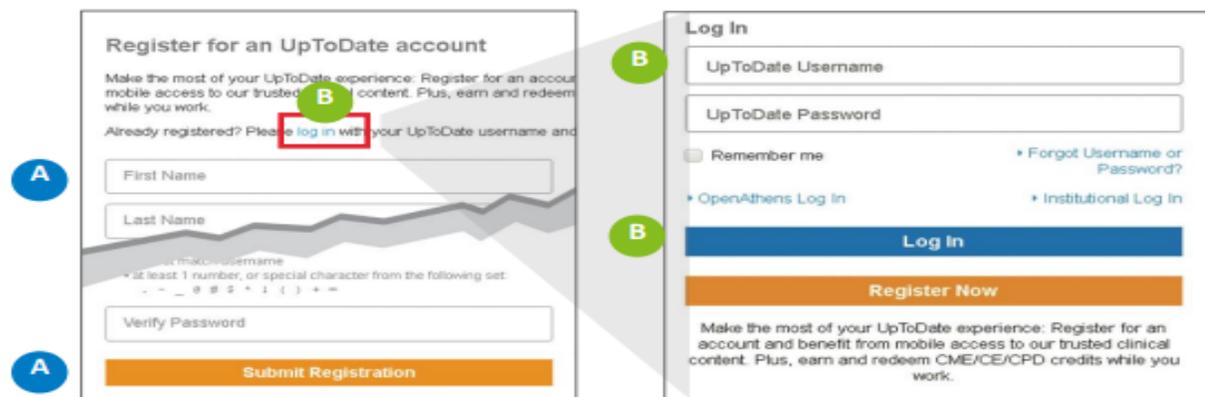

For training resources, please visit <https://www.wltsklwr.com/uptodate-user-academy>

3. From the **UpToDate®** home screen, click the **Register** button in the upper right corner.

A If this your first time accessing **UpToDate** and do not have an existing Username and Password, complete all fields on the registration form and then click *Submit Registration*.

B If you already have an **UpToDate** Username and Password, click the blue **log in** hyperlink at the top of the Registration page. Sign in with your existing credentials. This will retain your current CME/CPD/Ce data from nay previous UpToDate user records in one UpToDate user record.

4. Once you have filled in the fields on the registration form (new users only) you will need to verify your email address. **Click Send Verification Code**. An email will be sent to the email you entered on the form. Check your email for the **verification code** and **enter the code** (code expires after 10 minutes)

5.

6. You can now log in using your **Username** and **Password** and your name will display in the top right corner

Email confirmation from UpToDate will now be sent with instructions on downloading the **MobileApp** using your new UpToDate account Username and Password.

Mobile Access

Once registered, you can install the Mobile App on up to **two** devices by completing the following steps:

1. On your smartphone or tablet, search for “UpToDate” in your app store and install the free app or scan the QR below

2. Open the UpToDate Mobile App upon completion of download.
3. Log in with your UpToDate Username and Password.

NOTE: *You only need to do this once – the app remembers your Username and Password.*

Maintaining Access

To maintain uninterrupted access to UpToDate Anywhere, you must re-verify your affiliation with your hospital or organization once every 90 days.

Re-verification can be accomplished using the following methods:

1. Log in to UpToDate from a computer or device connected to your hospital network. Username and Password.

Please note: In-application & email messaging will inform you of the need to verify affiliation if you have not done so by day 80. You will receive a second alert at day 90. If you fail to re-verify by day 90, you will lose mobile and remote access. To regain access, please complete the re-verification process outlined in steps 1 or 2.
