Cancer Care Centre

Garden Project

Target £20,000

The Cancer Care Centre (CCC) at York Hospital is trying to raise enough money to create a new garden and courtyard area which can be used by anyone affected by cancer. The garden will be a mixture of seating areas and plants and flowers which will become a haven for patients and their family and friends. The new garden will be a beautiful and flexible area that we hope will be enjoyed by all who visit it.

As part of the project, we would like to create a more welcoming approach to the CCC by decorating the external walls and windows.

Every two minutes someone in the UK is diagnosed with cancer and in 2012, over 2,100 people were diagnosed with cancer at York Hospital. The CCC supports over 9,300 patients a year.

If you would like to fundraise for the CCC Garden Project please contact the Fundraising Manager,

Refit for Resus

Target £20,000

Due to growth in demand, both in numbers and severity, the current Resuscitation area within the Emergency Department needs further investment to keep up with this demand.

The investment will mean we can increase the current two bedded capacity to three, which will make a huge difference to the 2,200 patients who need resuscitating at York Hospital each year.

The Resuscitation room caters for any critically unwell or injured patient who requires immediate life saving treatment. This can be the baby born in the community which is struggling to breathe, the young motorcyclist involved in a head on collision or the elderly patient in cardiac arrest, often at the same time.

If you would like to fundraise for the Refit for Resus project please contact

Win tickets to the

Star Ball 2013

The YTHC is giving everyone the chance to win 1 of 5 pairs of tickets to The Star Ball on Saturday 15 June at The National Railway Museum worth £110.

Raffle tickets are just £2 each and are available from The Fundraising Office at York Hospital, General Office at Scarborough Hospital and Receptions at other York Trust Hospitals or by calling 01904 721737.

The 5 winners will be drawn at random on Thursday 2 May 2013.

Charity of the Year

Four Barchester Care Homes in York and the five star Cedar Court Grand Hotel have nominated the YTHC as their Charity of the Year.

Both organisations decided to choose the YTHC because of the amount of local people that directly benefit from the charity's work, including many of the hotel's staff and the Care Homes residents.

The Barchester Care Homes include Highfield, Mulberry Court, Meadowbeck and Stamford Bridge Beaumont.

Alan Rose, Chairman of the Trust said, "We are delighted that the Cedar Court Grand Hotel and Barchester Care Homes have chosen the YTHC as their Charity of the Year. We believe this is a great partnership with two very important organisations in the area. We are very grateful that they have recognised the significant work of our charity and the benefit it provides to our local communities. Seeking relationships in our local communities ensures our charity's profile remains high and we raise the vital funds the Trust needs to continue its work."

Generous donation for

Scarborough Hospital

Scarborough Hospital Surgeon and Medical Director, Karl Mainprize, was surprised by his former patient Patricia Wheeler, with a generous donation of £2,000.

Patricia said "Karl was able to change my life. He took me from being housebound to not having to worry about going out at all. My daily life has been transformed and for that I am so grateful. I always said that if I ever came into money, Karl's work would benefit."

£8,000 donation for

York Hospital

The Purey Cust Trust in York has donated a fantastic £8,000 in support of the Joint Elderly and Psychiatric Assessment Ward (Ward 37) at York Hospital.

Ward 37 is a dual assessment Ward caring for older adults with both physical and mental health needs. A large number of patients have a diagnosis of dementia. The design of the environment for these patients is particularly important; they can find the experience of being in hospital very confusing and even frightening.

The Elderly Wards at York Hospital are run with great care and efficiency but the design of the spaces is quite plain and clinical. This donation will help us to create a more welcoming and calming environment and where appropriate, also stimulating and engaging spaces on Ward 37 that help improve the quality of the experience for patients.

Big
thank you's
go to:

Filey Lions Club for their donation of £2,763.46 for the purchase of 2 new cots for SCBU at Scarborough Hospital.

Dickie and Sue Ward and The Cayley Arms at Allerston for their donation of £615 towards the Children's Target Fund at Scarborough Hospital.

Scarborough Festive Spectacular Committee for their donation of £800 to SCBU at Scarborough Hospital.

To everyone who attended and supported our fundraising day at St Crux and our Charity Race Night in February in support of the Star Appeal. The two events raised over £1,250.

E Botham & Son of Whitby for their kind donation of Afternoon Tea for two in aid of Whitby Hospital.

Tesco's at Bridlington and Tesco's Asda, Morrisons, Cocoa House and York Sweet Shop in York for their generous donation of Easter Eggs for the YTHC's Easter Raffles.

To everyone who has supported York Hospital's Star Appeal and for helping us to so far raise £160,000 of our £300,000 target.
