

Staff Benefits Survey

You Said...

“Some (a few) staff are not based at York or Scarborough, so I take up benefits I can. Sometimes it's frustrating to see all York based ones - not a criticism the team are doing a great job and working within your base”

...We Did

We may be based in York and Scarborough, but we are the Staff Benefits Team for all Y&S Trust staff, including smaller/ community sites too!

If you work in a community site, let us know what you would like to see us offer! Do you:

- Want more site visits, for us to pop in during team meetings and talk about our Staff Benefits package?
- Want more NHS discounts/ offers in your local community? (Tell us your favourite local businesses so we can approach them)
- Want more posters/ advertising content in your staff room/ break area?
